not comply with your request I post poned writing

that I cannot I thought best to tell you I am
busy engaged will commence delivering next Mon.
and will be traveling all of the time I will have to go
to Garden City St. Charles Bloomington Paris and
Quad on my return and traveling every day
will not have time If I can I will write what
I can and send you if possible I am very very
sorry that I cannot help you some day I will
have more time and I will exert myself

Well Nora I will have to make this line
short as the room is full of people and all of
them taking expect you will find more mistake
than you can count but I thought it better to
write now than to wait as you will be very
anxious for the an answer

Well I have dropped some ink on this letter but have
no time to copy so I send it I never was so pushed for
time in my life have 165 books to be def. delivered in
a few days and the weather is very bad I suppose you
will be very much disapointed and I feel as bad as
you Believe Nora
