Mary → Nora

Albany Wyo, Feb. 11th 1884

My Dear Sister Nora:

Many thanks for
your Photos every one I have shown
them to think you the sweetest
couple they ever saw.

Say Nora if you come on
this road why can you not meet
me in Evanston on the 28 of this
month or if you take the other road
meet me on the first March in
Ogden? I am going home then
I will be obliged to move home
as where I am living was the only
place in the camp I could
get and Mrs. Beveridge will
need it as soon as her husband
gets home from school, so I will
have to leave on some where if I
come back for 2 or 3 months and
I will have to board, I think
\$2.00 per month dear for board

Mr. Fishburn has kindly offered to
help me pack my things also
to engage a man to take them
to the station. Be most kind.
Please answer immediately
on receipt of this
Yours lovingly
Mary

P.S. I have not told mother yet
that I am going home I
thought I would surprise her
