Good Morning

Dear Nora

I was over to the ranch yesterday
& the carpenters will commence
Tuesday & I expect you here
before many weeks I
wrote David this morning
& told him to be in L
on Easter & I would telegraph
him which way to come
I will telephone from M
to Paris & then to Logan
If I dont get the telegram on
Sunday I will send it on M,
& if you dont get it then you
will find a letter in the office
telling you which way to come
We are having bad weather

here now they have been
flowing here last wk.
but I don't think there will
be much done for a week yet
I am getting tired of the
way I have to do & want
you here The fact is I am
getting homesick & want
to see you (My Dear girl)
I can hard write on account
of so many talking the
children are making so
much noise & Stewart is
talking some of the time so
I will quit for the present
I'll write more before
sending this
Good Morning
