Mrs. Sarah Keach

My Dear Friend,

Your kind letter and picture came to me some time since but I have been so busy I could not write. I have been to Chamberlain - Oh what a place to see anyone look up for the picture came I have shown it many times to good appreciating friends. I have yet to find one who does not like it. But that is only the beginning of the end of finishing up the picture that I have to do. With this is your receipt for the money I received for the picture. I am very sorry that I was not able to send it before but I was disappointed in getting money from the east that I had counted on. I am very much pleased with the picture and I am very thankful to you for your kindness in painting it for me. I am sure it will be a source of pleasure to me as long as I live. I have had many compliments on it since I have had it framed. I have had it hung where it will be seen to the best advantage. I have had many calls to see it. Many of my friends have said that they would like to have their pictures painted by you. I have given your address to several persons who have expressed a desire to have their pictures painted. I hope you will receive many orders from Lincoln. I will do all I can for you. I am very sorry that I cannot send you any orders from Beatrice as I have no acquaintances there.
