John sends his
love to you all
and wishes if
Will can get it
he will send
you a few dollars
of the money
before we go to
Payson as he
wants to
a man he
and wants
to pay it
before we
go, although
we hate to
leave you
about it
I would not if
it was not for
that. M. R. G.

Dear Sister Nora.

I will answer your letter to day as
ma has written. We are well and I
hope you are the same. I am almost
sick at the thoughts of going to
Payson for we are to go in about two
weeks Uncle Samuel is coming up
for us and we will go by team.

I do so wish I could see you all
once more before I go but I suppose
I will not. So when you get Baby's
picture taken you must be sure
to send me one for remember I
messed him and I think if any
one has his picture it should be
I. Leah is going to send me her baby
picture before long, she has named
it Fannie Leah. When her baby was
exactly 3 months old she shortened it

that day and it cut I teeth.

Marantha Morris is here she came
the day of the funeral she just
brought the baby with her.
she got here at one o'clock and the funeral
was at 4 she had her mother's picture
taken in her coffin she propped her
up until she was almost sitting
straight up which looked very shame-
ful. She was kept so long after
dead that she was so decayed she
was not a very nice looking corpse.

Mrs's flowers are very beautiful
they are all in bud and come in
blossom. Marys double Pink has 5 big
clusters and 9 buds it is handsome.
Ma sent for some flowers she got a very
beautiful fuschia it is the "Storm King"
and a beautiful double white geranium
called "snow queen" a nice flower called
the "Passion flower" and a lovely "Bridal
Rose. they all came good but the "snow
queen" wants soon to your loving sister
Roxie.
