Have you among the
rest forgotten or disowned
me. It seems as though I have
been forsaken by all of my
relations. I don't know when
I heard from you & Nora, I wrote
in March and sent you my
picture but received no answer.
Mamma wrote for me to come home
but I was not satisfied at home
and did not want to go. I wrote
and told her I would rather
teach and make my own living
and I have never heard a word
from any of them since it
is almost three months since I

got a scratch from them
I am teaching about ~~twenty~~
five miles from Doris
get \$33¹/₂ a month but board
is \$2.00 this is all I can
think of now, Miss
Dessley for me, give our
best regards to Ma

Dear Sister

I will write a few words in ans.
to your letter to "Ma". You said you
hoped she was well by this time but
I am sorry to say she is far from
it. I don't know whether she gets any
better or not; she gets better in some
places and worse in others.

She says she would be awful glad if
you would come here to stop if you
can put up with the living. She hopes
you will and we all join her in her
hopes. There is no one here to take care
of "Ma" now but Aunt Mary. Annie
has gone to Thatcher's to work and
Althure went home yesterday real sick.
We have got spring at last nearly

every body is playing around here.

Mum is too sick to think of anything to tell me to write and I cannot think of anything myself so I will have to close with love to all I remain as ever your brother George E. Crockett.

Mum and the rest all send their love to all. Geo.
