Mary's Crockett - Rose
(mother)

Wistful about
her children so
scattered and not
having grown up

Saturday morning it was raining a little
so I put all of my flowers on the stand
it was a beautiful sight to see so many
flowers and they looked so bright in the
rain but in a little while down went Mary's
beautiful geranium mashing the flowers
as it went it mashed all to pieces and
spoiled it was the handsomest flower that
I ever saw it had 15 large bunches of
flowers and buds on you remember
the one that I told you Mary brought
from Albany with her it had grown so
large that it was as large as a dishpan
you must kiss the baby for me every
day I expect he will be walking
soon how is Delia I getting along is
she homesick she has been away so
long I expect she has grown so large
that we will hardly know her please
to write again some time if you care

Dear Daughter

Nora I will try and write a few
lines to you I had began to think that
you had shipped us all off until last
evening I sent an order down to the
express office to get some money that
Mary had sent to me for your Father to
buy paint with for her house when Willie
came back he gave me a package I thought
it was from Mary and when I looked at
it the first thing that I saw was
W D Ream I did not know what
to think of it I asked Willie if he
did not get the money from
Mary he said yes so I opened it
and found your letter in side
with the money telling me what
to do with it If you had put a stamp
on the letter and sent it (the letter)

in the mail we should have got it
before Fahr moved for he has just
been gone two weeks and the money
must have been in the office most
three weeks I do not know what you
and Will was thinking of not to
post the letter how did you think
I would know that it was there if
Mary had not sent money that
way I should not have known
I will write and send it to John
We are all well Delia's children
has got the whooping cough and she is
not well Mary asked how Nora was
getting along it must be that you do
not write to her I am sorry that it is
so hard for you to get paper and
stamps I have as many as ten or
eleven regular correspondence the
most of them I write to often
than I do to you the reason that
I do not write often to you is that
I do not want to write ~~two~~ two

or three letters to you one or more
I do not think that you care to
hear from us very often If I
could only see you I could talk
better than I can write Do you
think that you will ever come and
see us again it makes me almost
sick to think how my children
are scattered Delia is I do not
know how many hundreds of
miles away and sick most of the
time I do not know when we will
ever see her again I would have
written last night but I was so
very tired that I could not ^{sleekly} done
my washing ironing and
scrubbed two floors I was so tired
that I could not sleep Sister Kepher
came in and stayed so long that I am late
with my letter for the mail so you must
excuse me I have such a nice lot of flowers in
bloom I will send you one of your geraniums
and one of my lady It is a beauty but
