Dear Children
I will do as I agreed and tell
you how I got home well I got
to St Charles just in time to
get some dinner and take the train
to Garden City arrived there at
dark Stopped with Byron Alsed
that night and waited and
waited all the next day for
a team but none came so I passed
another night at the above named
place and the next day reached
as before and I was getting some
what anxious when noon came
and no team and began to
think of starting out a foot-

when about 4 o'clock I saw a
team coming but as it came near
I saw it was the man who so
kindly refused me a day or two
before but I felt desperate now
and so I stopped him and asked
him if he could do anything for
me he said get in it is all right
you can go as well as not so I
soon was in and we was off and
we went to Crowthers mill that
night and next day at noon
(Saturday) I was landed home
Bro Bird and Wife was as kind
to me as I could wish and I
feel grateful to them for their
kindness I did not know that
you gave me that Book until
I got home and saw what

you had written on the fly leaf
I thought you just lent me the
Book so you will accept my
Thanks for the gift for I esteem it
very much I found the folks all
well as I hope this will find you
I expect to leave in a few days
for some place where there is not
so many Depts as there is here
with kind Regards and best wishes
