Mr. N. E. C.

Dear friend I

have just returned to Ogden this morning  
I wrote you a letter last night. put it in my  
coat pocket and changed coats this morning  
and come off and left it. and thinking you  
wanted to hear from me I take this chance to  
write you. I am well and will be in Logan  
soon. I left Mr. L. in the City and looking  
for him up to day we had a good time  
I did not get any thing for Christmas.  
my friends have all gone back or me and  
never had any I do not know which it is  
I had a letter from home this morning. got  
your picture back, they think you are  
beaty. Well Nora I will make this  
note short for this time. will send you the letter  
tomorrow I am going to Mr. Sears. tonight  
it may see Nora. Hope you are having a good time  
Ever Your True friend  
W. L. Ryan
