Dear Friend Nora
Your expected letter
was looked for with much
anxiety but not received
today instead. One letter looked
for. I am stopping at the
residence of a newly married
couple. Mr & Mrs Stone
a most agreeable place. Have
been married 6 mo. It makes
me think of the happy future
awaiting me. Having finished
business and feeling in this mood
I thought I would write you
I love this country much better

than Bear Lake. I have been
unable to see much of it here
It has been snowing for the last
Three days snow has fallen near
2 ft. I shall have here tomorrow
if the stage or train runs I
left my horse in Pocatello &
came by way of rail I am
not succeeding as well as I
might - or thought I would
never the less I'll be in L
on G - I'd be the happiest
man in the world if I was
located here as I would like
to be and have you here too

Excuse this short note for I must
not write you a long one this
time Do you think you deserve it
It has been a long time since I
heard from you but I can
excuse you. I could write you a
very very long letter about
my trip I was over two hours

writing a description of it to a friend
and then did not get half way
I'll you all. I've enjoyed
the out more than any I've
had lately - Pleasure &
business connected it is simply
grand so far but if I
should get snowed in I
think I would change
my opinion - Here I am
lengthening out - on this
short note Must quit
All's well I'll be in so

Ever Yours
Truly Friends
Will
