Dear Sister Mora.

Just a few lines for
I have no news to tell you.

I got your letter and
was glad to hear from you
again sorry you had such a
chill I don't see what could
have caused it.

Friday I saw some
Bear Lake people, sister Gates
and Fanny they told me
of Henry Sparks death
and of Mrs Bird being
so very sick for which I
am very sorry.

Oh! I can hardly
wait until you come I
want to see you and

children so bad.

Is Will coming with you? if not who will you come with? I hope Will comes so he can see my Squash ~~what do you think~~ of Bryan's hair? is it not pretty?

I have attended three of the very best lectures ever was.

The lecturer was Prof. Alexander. I wish you could have been there. I assure you you would have liked them.

We have got new Potatoes and Peas for dinner I wish you had some.

Love to all write soon
Roxie.
