

Let if I could get a letter from  
you today I am on the go every  
day trials are getting harder here  
that has been a good place  
Well now how are our boys  
getting along I hope you don't  
trust any more but take  
good care of them I think  
we can get a home all  
right without you try  
I will try to get this  
off - I shall mail this  
in money so you can  
have it by Sat.  
I long to see you  
all very much + send  
much love + kisses to you  
Good Morning  
from Bill.

Dear Nora + Boys  
I am here this morning  
all Hope you are all better I have  
not heard from any one since I  
came a way I have been doing  
all I can working harder than I  
have ever done canvassing I would  
be making just a bit of money  
if expenses were not so heavy  
I have now 84 orders for the book  
+ 10 for the history have been  
canvassing 2 wks. Next Week  
Well Daisy I would like 50  
or 60 dollars when your school  
is out I shall order the books  
C. O. D + with 50 or 60 I can  
get along nicely I have one of  
those 5 I had when I left I

Don't you think I can save  
money if I can't make it I only  
had 3 of them + I gave the  
last 13¢ to the person last  
night at meeting I did want to  
save the 5 I had I give it to you  
when I came back but I am  
a afraid I will have to spend  
it now I have spent 25¢ for a  
meal + the rest for car fare +  
stationery I have been so busy  
I could not write to you only  
all day + it is quite cold + when  
I put up for the night I  
get so sleepy I put off writing till  
morning + in many cases I  
have no way of writing but  
I have written you some  
4 or 5 notes since we are up here  
One more thing I have to say  
this morning + I will close  
I think as this you had  
better not teach any more

if I can't make the money  
I we can sell back to the  
health of the boys + yourself  
take good care of my + mine  
I send much love to you  
+ our fine baby boy. Rest as  
+ well wishes to all the rest  
Good Morning  
W. Red

Well Daisy I did not get  
this posted as soon as I expected  
so will write you a few lines  
more I have been seeing some  
fearful dreams lately but I  
guess all is right I dream every  
night - work is hard + some  
times think I am making much  
+ a gain I believe I am doing well  
Have not heard from home many  
we else arrived some a way  
that may be what is making me  
dream I would be tickled a whole
