Mrs. Nora C. Keam

Customer Idaho;

Dear Sister I was so glad
to hear from you once more
I cannot imagine whose
baby that is you wrote about
surely not Ephie. If I
never was so much surprised
in all my life. The children
think it is mine But you
cannot write back immediately
and let me know how
child it is.
I had a letter from mother
last night.
There is a great deal of sickness
here at present. for more than

at Wick Rochester was
suffered with the tooth ache
Thursday I let Mammie take
him to town in the express
and the poor little fellow got
two extracted each one had
three long prongs. The doctor
was obliged to pull three times
on the first one when he got
it out he said "little boy shall
I pull the other one?" "Yes sir"
said R. so out it came too.

Mammie did not stay in the
room with him. For she
intended to get a couple out
and was afraid she would
get frightened and then not
get her out. so she went
into the drug store. well
Chesare did not cry but
Mammie says he gave vent
to some of the most unearthly

shrieks she ever heard;
consequently she postponed
having her teeth out.
I think some of going to
meeting this afternoon as
the day is so much like
summer. we have had
nearly a week of bad
weather.

Do you remember a
Mr. Jensen who used to
teach in Mendon? (he was a
very dear friend of Mr. Fishburns)
Well a little more than a
week ago he was drowned
in Snake river. body not
found yet. papers stated his
age 35 but it was a
mistake he is just 2 weeks
younger than Mr. S.
his sister (Mrs. Minnie Snow)
