with very much

My Dear children I will try to right
you a few lines I have very poor health &
haint seen a well day since I came home
from Nebraska the winter that was
me sick I found Edith nearly dead
& she had such a deadly look I did not
think she would live to get home we
started from Kesterson at ten in the
morning & got to Corning Iowa at ten in
the night Saturday & staid with
John Murcer & Caley my brother in
law & sisters children their
is four of them at home Caley code
loo Charley the ar doing well

We staid over Sunday at Murcers
so it rested us then we got home
Monday Edith had not set up
one over for 7 weeks till she
started for home but she is better
Mart came down he is fracton

Medison & he said he could
cure her & if he didnt he would
chary her & lord & nurse her
free & she went home with
him he staid one week to let
her see that he could help
her & she was lots better &
worked so hard the week that
Mart was hear that it had
me up I have to keep a hybrid
eye this week & that it
was so nice to visit as I went
to Gums that I would go to
see you next spring

Will take good care of your Boys
I would love to see them & you
& Will & I think that I will
if I live till next spring I
don't you to send for your
ma when I come out I want to
visit with her I no I would
know what has become of
friend Larson & how did him
make the settlement did he
get the best of Will

Will Nora we got a letter
from Will & he said you
was at Logans & so I will
finish my letter & send it
to Logans I wish & was their
to take care of the Babey's
for you will roat he was

coming back this fall & I
wish you had come you
can get a excursion & it
want cost much & do come
if you can we expect Will
to come with that friend
that was shepherd cattle last
fall will Nora rote &
tell me how you ar
all getting along & what
is the trouble with Frank
& what the ar saying about
& how Will hapend to get
the best of him

Kiss the Babey's
for me my love &
Will Mitchell is for you
