hope to commence + get  
through next week with all  
I shall get to Rattle snake  
this afternoon I shall not  
do as well with the trees as  
I expected Have not seen  
the board yet but Poindexter  
said they could not get the  
water out the ground soon enough  
to keep them a live He will  
take 300 I guess have not  
got him to sign the order  
yet - he will be in town  
this afternoon + sign

I will not make as on him  
as I wanted too I feel like  
things had taken a turn against  
me. But all will come out for  
the best any way. Every  
thing I do I say to myself  
it is for you & our boys &  
I know it will come out well.  
Yours prayers will be answered  
I know & I shall do every  
thing in your name.

Love always
