Hello Ida,

How you doing. Everyone is still kicking up him after one more year of school. All that is left is the final exams Monday & Tuesday and the senior banquet. Its really going to be a honey. Spring food chicken, mashed creamed potatoes, apple rings, carrots, cake with ice cream and carnal sauce

Best Wishes for a

MERRY
CHRISTMAS
and a
HAPPY NEW
YEAR

How about writing to me?

"Edith"

Come out then around June 15.

I'm expecting you to use all your influence to send Helen back. Mine has been all used up the last two years.

Dawn is surely making a swell formal. She will be the belle of the ball Friday night. I don't know what I will do next year with out her, & Helen - so you better work hard and send her back to me for one more year.

↙ Helen

drinks for everyone (I doubt if I will be able to withstand spiking them) sounds good doesn't it. The theme is One Night in Havana (with all those old bag.) For the Commencement Ball then having Bill Lohay's ten piece orchestra from Pocatello. They have put wires about 12 feet high on the gym ceiling and are going to cover the whole thing with paper.

I guess Helen & Dawn will

Now don't wait a month to
write to me. You waited a
year the last time. There isn't
much more to say only that they
read the senior wills and John Sarfach
left to me the ability to talk back
to Coach Trone - nice people aren't
they. (He kicked me out of class last
Tuesday)

Love

E. Litch.
