Dear Mother.

Very pleased to receive  
your note. The writing  
looked quite natural.  
Glad you are improving  
even though it might be  
a little slow.

Everything is O.K. here  
The "polio" epidemic seems  
to be subsiding - only a little  
over 100 in the whole county.  
Family is O.K. in Montpelier  
now. Rucit is coming back  
to see me for a few days  
& may be here tomorrow night.  
I had to wait a few days to get  
a valve for Beulgh's blood pressure  
machine - sent it off  
yesterday.

The strike situation is becoming  
critical. Gasoline is at a premium  
& vegetables are off the market & grocery  
stores are almost sold out. I  
need not expect to suffer materially.  
How is Ida? Hope you are all O.K.  
Love to all family & Aunt Rosie Douglas
