My Dear Vera,

just a wk to day since you
left. I have had good weather most of
the time but cloudy to night. J.R. & K.O.
have gone to see the stock holders about
hauling gravel & sand for head gates
in ditch most of the grading done &
ready to pour cement in 2 forms. Doing
more than their share (as always) I hope
the weather is good till ditch work is
done 2 wk at least. W.W., W.A. and
myself went in J.R.'s car he driving
Things do not look so good. May turn
out OK. - hde so. Verma washed to day as
usual @ fig one. Had several men here
to see about getting money

Hen Cook's wife ran away with one of
Hunters men, Martin was the man name
headed for Canada so they say.

No more about Arnald as yet.

At a meeting last night of the directors
of T. L. Co. regarding Budgets loan
and they are going for close on them
to bad! Every one well at present.

Hope as good luck abides with you all
there. Give my love to all

my side is bothering me some
and it makes me nervous to write

When are you going to have your
operation? Your little pillow lay in
same place since you left - have not made
my bed once not changed. guess I'll
level it to night. We miss you J. R. K. D.
said it seemed a mo. since you left.

Donise is coming O. K. J. R. found her first-
tooth to day. With love to you + all Will.
