My Dear Will -

I was very glad yesterday to get your nice new and very interesting letter. When reading your letter I could just follow you in my mind over every bit of your trip. Am glad it went off so nicely. I am glad you are there where they will take care of you and you will soon be feeling alright again - sorry you had a bad night and hope you are feeling better and that all your nights will be good from now on. I enjoyed reading Beulah's letter too. I had not heard from her for a long time and was glad to read the one to you. I imagine the war conditions do worry her some. But I am still

hoping the war clouds will clear
away and pass us by without
touching our government or any
connected with us or our govern-
ment. I have a feeling that we
will not get in to war.

I have not had a word from Dingle
since you left excepting a card from
K.D. the day you left. I hope they
all keep well. Mrs. Johnson has not
been down again.

The weather is nice now - Dad's family
are well. So am I.

I got a letter from Jan. Was glad to
get it and will answer it soon.
I get out and work in the lot a few
minutes each day since the weather
got cooler.

Give all the folks my love.

Lovingly
Nora.
