My Dear Will -

I hope you are having a nice enjoyable birthday.

I wish I were with you or that you were here with me. I surely hope you will be here for our wedding anniversary on Nov. 11.

I am afraid it is getting cold up there. I am hoping you will not wait till it gets too cold up there.

It rained a little here today. It makes things look green and nice.

I hope you have gotten over your fall and are feeling good. I hope you will be very careful and not fall any more. I am so afraid of falling that I look carefully before each step I take. I don't want to be laid up with broken bones.

I suppose K.D. will soon be starting down here. I hope you will come with him.

I have not heard lately from the "Bay region" but I suppose they are well or I would have heard.

I have just listened to a good democratic speech over the radio. Well it seems to be quite a political fight this year - but we will soon know how it comes out.

Give my love to the rest of our folks.

Lots of Love

Nora.

Hope you are enjoying your Birthday.
