Dear Mother & Father,

Returned from logging last Tuesday and found everything ready for spring work to begin. Been fixing up the disk & harrow the last day ~~or two~~ and will begin working the ground tomorrow. We are going to have our hands full this year so full we won't have time to turn around.

H. H. & wife & Norma are going to Salt Lake for Conference in the morning. How did Herley like it down there.

I hope you are all well or on the improvement. He are about so so up here. Everything that I have seen since my return seems to be doing fine.

Lots of Love
Kenneth
