Dear Mother,

How are you now  
I hope having a good vacation  
at Milton. Is all well with  
you. It has been so long since  
a letter came to me from you  
I hardly know what to think.  
What do you do to pass the time  
away and how is everyone there.

We are having a bit of  
winter here. Saturday it snowed  
about twelve inches but by the  
way it melted yesterday it will  
not stay long. Every one here is  
well and things are going about  
the same as always at this time  
of the year. Rodney is killing his  
turkeys. Started Saturday and has  
about one thousand dressed now  
after two days of work. It will  
take him another four or five  
days to finish or maybe longer.  
I am working on my house  
and getting it done little by little

Wesley and Mitchel are just working  
as usual and getting the necessaries  
done. Nothing special on the

Mother dear I am wishing  
you a very merry Christmas and  
a very happy new year with a  
grand and glorious Birthday between.  
I send you my very kindest thoughts  
and kindest wishes.

Your loving son  
Kenneth.

How is Dad and did he get my last  
letter. The posts are supposed to be  
here today and I have had no  
word from as to what he wants  
now.

Love  
Kenneth.
