Dear Mother Sept 1/54

We are now  
in Salt Lake City at 12<sup>45</sup>  
noon & starting for Dingle  
Have had a nice trip but  
slow as you can see.  
That is to be expected with  
an old car. Had our flat  
on the desert about 11:00 PM.  
I hope this card finds you  
well and happy as we  
are. It is plenty warm  
here in the daytime but  
very cool at night.

Loads of Love,  
As ever

Ken & Ruth

When I return I'll come  
& stay with you when I get  
down here, but I may  
rent that apartment anyway  
or some other for my things. Love!  
Ruth + Ken.
