Dear Dad,

Glad to hear from you. It is colder than places up here. Mom will send a letter from Star Valley & they said they would not be here as soon as they expected. Sold January 4 tons at \$300 cash. (\$730⁰⁰) paid my open account at Thiel & Persons. A little on ~~the~~ other hills. Will pay up the labor & have some left in case you need it. The Star Valley people will pay up before bringing the cattle over according to the letter which I will enclose in my next letter & send the map.

With love to all

As ever

Herbert
