Dear Mother, <sup>with love from</sup> <sup>the boys</sup> <sup>and</sup> <sup>me</sup>

I hope you are feeling fine. My nephew, Martin, is getting married in San Francisco and maybe we will attend in which case we will take a trip to L.A. too, and will be seeing you soon, maybe around the 20th or 31 of Feb.

The thought of you all day on your birthday. Maybe we can celebrate when we see you.
