Mrs. Nora Kern  
929 Gaviota Ave.  
Long Beach, Calif.

Dear Mother -

Mabel wants me  
to stay another week  
so I can go home,  
rather, <sup>go</sup> to your home  
with George & Vera who  
are coming here  
a week from Tues. <sup>+</sup>  
Wed. - 24 + 25. I will  
let you know when  
I am coming.

How are you? - Genelle  
was fine for awhile  
and when we try veg,  
or Cad liver, she seems  
to flare again. She is so  
lively and full of pep  
though.

Best love to you and  
yours, Ruth and Genelle.
