Dear Grampa Ream.

It been a long time since
we heard from you. I've been
rather a poor letter writer myself -
tho I've written to all my Ream
relatives. this last month.

I was in Manila last week
with Fabian and spent nearly
all my time with Beulah. Did
your ears buzz? She was quite
busy. She is getting popular
because she alone give complete

Nora is doing well in school. Very good in Spelling and reads anything. Also good in Bible. But a good thinker so I don't think she'll succumb to the faith. The Adventists are a little fanatical anyway - and she realizes it. The Adventists live across from us and the woman who teaches the two children up there also takes Nora and another girl. Four - all in 2nd grade.

Fabian is feeling good. His work is getting heavier. I think he'll have to take the plane back, path from Manila. Auto takes too much of time. The M. P. Traces brought out the Royal garage about 30 garage cars & 10 taxicabs. I don't feel I can call upon Fabian to be a fixer about the house any more, because he's so busy. He finds time every Sunday for the gun club, where he has a good time. I go down once in a while and do a little target practice with the 22. I'm not very good at it.

With lots of love from us all.

Ruth.
