Dear Mother & Dad:

We are always pleased  
to hear of the upward trend  
even though it may be slow.

We had expected to see  
you folks before this  
but you mustn't leave  
until it is perfectly safe.

Milton left for S.L.  
as you must know.

My family will be  
leaving in a few days  
probably Sunday night.

We all well & hope  
everything is still  
going well with  
all you folks.

Love from us all  
Dorcas.
