Dear Dad,

All is well! I am
glad to hear that you
arrived O.K.

I could not get any gas
before the 1st of Nov. but have
had ~~some~~ plowing ever
since. He has plowed better
than I do on the south
side of the field and about
12 on the north side. on an
average he plowed that on the
south side 11 in. deep.

I have lost about 20 turkeys
since you left, otherwise
they are O.K. Cold weather has
set in. Hello to everyone.
