Dear Mother Keane & Ida

I had hoped to
 make this a letter, but the days
 are so short & slip by so rapidly
 with something always falling in
 letters and I do want to tell you
 that I was perfectly delighted
 with your kind thoughts &
 sweet wishes for my birthday.
 The card is beautiful & I did en-
 joy being thought of. Thank you
 both, please & Deaps! We think &
 speak of you ever so often & love
 miss you. Do you think you
 will be in school again?
 I understand there are only the 1st
 & 6 (1st layer ready now.) & only
 3 weeks until school begins here.
 Ludwig is still mostly at the State, so
 we miss him & he misses many
 of the cute things the baby does. She
 has been walking everywhere for
 more than a month. She climbs on
 the lower articles of objects or into
 boxes, pans, etc. Denise is taking
 4th scribbles & coloring. We hope you
 both are that well, also the children.

Love from all of us to you all, Norma.
