Dear Mother Leahy

Love from - we all - Thomas

We hope you are well & feeling fine. We think of you ever so often. I had hoped to write a letter long before now but haven't quite made it. The children are home again - 2 weeks - because the town is having an epidemic of measles & we're trying to keep them from getting them & they're allowing exposed children to go to school. So helping them takes time. I haven't been able to do a bit of house cleaning yet. A little turkey will be here Sunday at daylight & it is very cold. Water freezes a thick layer of ice every night. The wind is so cold. It has snowed. I do hope it soon warms up a little at least. Hello to all.
