Dear Dad & Mother Ream,

He received a card from Beulah, posted after she left the boat so we suppose she arrived O.K. in Long Beach and presume that the turkey arrived there in time for her to have it with you. (We do of course hope you liked and enjoyed it.) We have had a very heavy snowfall, the past few days - the first real one this winter - a foot on the level yesterday morning & it blew and snowed some more during the night. We're expecting to have here about Tuesday. Rodney has to go to the dentist in S. L. but expect to see you perhaps as early as the 26th.

Nothing has to show but hope this week including the snow!
