Dear Miss Mary Lela - We were very glad
to get your letter. Girls haven't made
any definite plans yet with
sisters as they find out what they are
going to do. Had a lovely graduation.
Wish you could have been here.
Haven't heard from Jean for
a long time. We are having a big
storm. Not all our grain planted.
Had club here last night - nice time.
Aunt Mable & Norma were here.
Write soon. Love Metcher
