Dingle, Idaho

Dear Aunt Ida,

Aunt Em has a pair of twin boys born Monday morning. We are all thrilled to death. Aunt Em is in the I.D.S. Hospital. She is surely happy. Grandma Sirrine came this morning. There was nothing she could do down there while she is in the hospital she thought this would be her only chance to come home for a few days.

We have been trying to think of some names for them. And if you have any suggestions please rush them. The twins weighed 4 lbs 7 oz and 4 lbs 11 oz. Uncle Lell is so happy he hardly knows how to act I guess. I would surely like to go down and see them. But school starts on the 8th and I haven't my clothes ready.

Daddy and Jean are working in the hayfield. We have had so many storms that it has been impossible to put up hay. The last 2 days have been sunny and they are working hard. We don't know yet whether we will be able to send Jean to school yet or not. It takes so much for tuition and books. I certainly hope that he can go though. I wish I knew what I want to be. I don't know there are so many things I would like to do and it takes so much money to go to school.

We have two of the cutest little dogs I wish Ricky and Beulah Lee could see them. Hazel Dawn is working on her sewing for the fair.

Give my love to Ricky and Beulah Lee

Tell Grandma hello, Love
