Dear Dad:-

I got your card O.K., but seems that we are going to be unable to get any thing from Java as no one has time to go after it.

We are all way behind with our work. M.A. and I were heading and threshing when it snowed. I had my wheat in and had 500 bu of barley. I have 15 acres of barley out and had about 35 acres. We have been down nearly a week now. We are going up to try and get the rest of it in the morning. If it will stay good weather about three days we will be through up there. The crop were very poor this year, badly frozen.

I have a lot of farm loan work piling up on me. I should spent three or

trying to collect. The bank has turned
over a dozen cases to me. I get 3% of
what I can collect.

Kip Cook finally got his ^{application} ~~form~~ accepted
for \$7,000⁰⁰ and Hall his for \$4,000

The bank sent another application
for Cook.

I have been trying to get
hold of a little money to send down
for Jean but have not succeeded yet.

How are you and mother, and all
the others. Hope you are all well,
Love to all

Dear Dad, hope you
are all well. This is the
first year that I have
ever dreaded the winter -
but it is so cold here not
any cool and not very
good wood - just can't keep
warm. And then they
are all to school and I
am alone so much.
I am sorry that we can
not get the vegetables
from Love we have no
potatoes or any other vegetables
except carrots. Wish I could
go up for them - my self, it would
help us so much this year.
And I think all the rest need
them too. It seems there is
nothing but hard work here I
know the boys are working
too hard. I really wish they could
get a good job out of this cold
weather. Kenneth's back is
still bad he has been to the
Dr. again. I am afraid he
works too much. I will write
to mother, Beam, Love, Marjorie.
