

Dear Grandma,

I hope you are all well and have a merry xmas. Helen and I came home last Friday night.

We had finished our quarter final exams.

It snowed last and now we will have sleighing the rest of the winter. We have been feeding with wagons. I like my school in Salt Lake. It is a nice place where I am but there is too much smoke. Everything sure

gets dirty. A life school
more now than I ever
did. It is lots of fun
to take care of the twins
but they sure are a
lot of work. They get
into everything and
keep the floor cluttered
up. Everything they find
on the floor they put in
their mouth. They are
sure cute though.

We have had a nice
fall so far but now winter
is here. I would like to
be down there. Well I must
be getting to work.

my address is

430 South 11th East

Salt Lake City

Utah.

Your loving Grandson, Jean
