Dear Mother Beau

Keep well all thru the year
and enjoy your holidays to the
fullest. I still have a hard lump
in my throat from the last summer
happening. Lois came home last
night, ^{come} early because of the "flu"
spread. We haven't done any
thing as yet, but hope our tree
is a small one but the kiddies
are wild about it. yesterday + to-
day are like ~~spring~~ spring days just a
little snow. I miss having from
my mother. this Xmas as she always
headed the list with her messages of cheer
also Aunt Mory Beau + grandpa. P. + ^{They will}
always live in our hearts. ^{Love} Lovinger ^{meets}
mael + family.
