Tuesday 8th Baby will be 3 weeks old
tomorrow and we weighed him today
and he weighs a little over 8 1/2 lbs.

I have got a nice new cradle for
him. Lale Carl has got a baby
~~born just before~~ and now
it is Nett Carl's turn next.

At the Election yesterday Logan
went Republican a majority of
nearly 100. Althere is sick in bed
but is a little better today. Aunt
Mary Hudson is slowly dying the
doctor pronounces it Bronchitis that
she is dying of and says nothing can

My Dear Sister Nora.

I do not remember
who wrote last. you or I. but
if I owe you a letter it was
through unintentional neglect
which I beg you to overlook.

We are all quite well at present
and you doubtless have heard
of our new little son.

He was born on the 17th of Feb
and I had a real good time
considering all things.

He sleeps all the time now
I have to waken him to nurse
I have been doing my own work
for a week with the exception of
my washing and I am real
strong and well and feel splendid
as yet I have not ventured out

but am thinking of going out
a little to day. We have named
the baby Calvin LeRoy. What have
you named your baby?

I do hope your health
is better than it was when I
last heard from you.

I dont know any news as
all that is going on is
politics. John was out to a
Democratic meeting last night
and Thursday night until
twelve o'clock.

Old aunt Mary Hudson
is not expected to live. The old
gent has been very sick to but
he is better.

Mollie and her three children
are at Delias yet she has been
to see me once. Delia has been
in four times and Annie &
Althea not at all and baby
nearly three week old.

so you see what kind of neighbors
I have. people seem so very
selfish that they care for no
one but themselves.

I think Spring has surely
come there is but a very little
snow here and there in spots
and the days are very warm
and nice now.

Alvin and Ozro, George & Bell
were all down when baby was
born and Ruth was down two
weeks ago tomorrow.

I guess you have heard
of the death of dear aunt
Presinda Kimball she died

I believe on the second of
Feb. I cant think of any
more to write this time so

I will close with love
to you. Will and the children
and love to Willie and Stella
also hoping to hear from
