Tell Henry we have
nice weather here to day
& I think we will have
Spring soon. Tell Henry
I have a piece of land
in sight - & have no way
of securing it and
though I would see
if you would file on
it for me I would pay
you a reasonable price
How does the idea strike
you? Think you we can make
a deal? if so lets hear

WANE
from you soon,
The folks are all
pretty well all but
~~the~~ two smallest.

Hope your mother is
doing well

If you conclude
to come over & see us
it may be you can
get work

Regards to all inquiring
friends

Resp. Yours,
W.D. Peam,
