

(about) March 1899

Emma → Will
Husband left
her.

Palmynse March 22

Will dont pray that
note to Annot he has left
me again I was sick he
put me under the influence
of Morphine and made me
sign the deed for the farm
and left the next day. he
before I was out from under
the effects he has been gone
one week to day I can just
sit up there is one Hundred
dollars reward offered for
him and bring him back
you describe him and put
as many on his track or
if you see him or hear of
him have him arrested
as soon as you can be took

every thing he hold some
of him here he was going
back there to his mines

I am going to notify every
post master

I have got nothing
to live for only to hunt
him down
