Pocatello Idaho

Nov. 14 - 09

Dear mamma I got your card the other day and was glad to hear from you. We are all well and hope you all are the same. I had Ida and two other girls to the reception held at the Academy last night in honor of the foot ball game with the Albion State Normal our team played them about a month ago and got beaten 21 to 0. This last game was to see which had the championship of Southeastern Idaho we beat them 5 to 0. (I did not play because I had taken no interest in the business). Some of the Albion girls that came to root (before the game) said that if they did not beat us more than 40 to 0 they would consider themselves beaten. I guess they consider themselves beaten anyway. One Albion man received an internal injury and had to be cared off from the field, is a little better to day. I wrote a card to Mamma but received no answer, what seems to be the matter is she still riding on her still horse. I guess there is no need of saying anything

about my standing because if you have not
got it from the Academy you will soon. The
faculty decided to let the parents of the
students know about their standings about
five or six times a year. It looks like winter
here there is about 1 inch of snow on the
ground at the present time. How is Fabian
getting along with his school. Have you heard
from Wesley lately if so how is he getting along
Will Mitchell be coming down before Thanksgiving
Well I cant think of any more to write so
ges I will have to quit for this time.

Tell every body hello

Lee.
