Dear Friend Nora

Here is good news for you +  
Good luck for me I have just  
been excused by Judge Morgan It  
only cost me 30¢ the cost of a telegram  
to subpoena and the man that is to take  
my place is Mr White that knows  
Archie's watch Answer that will give  
the Mormon's but little show I am sorry  
to say If you remember I told you the man  
that would take my place would not do  
as well by the Mormon's as I might have done  
Mr Parkerson of Franklin coaxed +  
coaxed me to sit as he would have a case up  
before the jury They are packing the jury  
+ are getting some very mean men I am  
off + am very thankful for it Mr Stewart  
of Malad is arrested + here + several others
