

Seeing I will not be able
to water for a few days
yet I will do that so
not to lose any time
I have been only about
10 min writing this note
It is Sunday morning
If you may think I am
not very busy but I have
been entertaining my company
& have just felt to way for
a moment to write to you &
be ready to take it to M
to day I am well & still
love you the same will be true
before very long

Am Ever Your
W. H.

L. D. Ranch
Miss. Nora E. Cockett

My dear friend
I have rec^d two letters from
you since writing They were
long ones too & very interesting
I feel ashamed to send you
such short ones in return
but you know I have not the
time to write much here
the ranch I have so much to
do that it takes all of my time
I have been busy this last week
past but have finished with
success I got my disto &
have done yesterday & the

water through & all side
ditches finished all is ready
to turn the water on
as soon as needed I will
not be down till I have
finished watering for the
first time My wheat does
not look so very well it
has been so very cold
for the last few days We
had quite a snow storm
here yesterday & a very
heavy frost last night
I will be down as soon
as possible I must go to
Blackfoot soon Yes
I intended going North

But do not know when
I must not leave things
now till I get them in
a better shape I guess you
are waiting anxiously
Tell Archie I will not
be able to get to Loga
on the 10 let alone get
Snake R - but will so
as soon as possible

Well for a you ask
me not to work so hard I
have not this trip but I can't
keep from doing a little
I have rocks & tall haul
for the foundation for
my house I am going
to move it soon
