

Didn't leave Logan  
as planned because  
horse was lost.

Mr. H. G. C.

Dear Sir, I  
did not have a letter last  
The reason was my horse was gone  
and I did not find it until  
-ay this afternoon -

I will not write a long letter this  
time but when I get to my  
journeys end I will tell you  
all my incidents

I received a letter from  
some last evening there were three  
of my old girls married and  
one dead. They want me to  
come home I write and tell  
informed them when I come I  
would bring some one with me

My sister sister sent a piece  
of poetry which I will copy  
I think it is real nice

Remember me and bear in mind  
that a trusty girl is hard to find  
and when you find one bright & gay  
stick to her coat tail night & day

Here is one for you  
May all your days be spent in bliss  
And all your plans succeed  
be but as happy as a wish  
And you'll be best indeed
