about her
Marriage

Richmond,

Utah,

Nov. 8th 1885.

Miss Nora E. Crockett.

Logan, Utah.

Dear Nora:

Miss Ida sent
me word that you were to be married
this week. Thanks, dear girl, for re-
membering me. If you are going
to leave the "Old Maids list,"
are you and join a more useful
one? You have done a good work
in your single state, and I hope
you will do as good a one in
the future. I wish you all the
peace, comfort, and happiness
that can be given you. May you
be perfectly satisfied with your
choice. I wish I could see

you before you go East; but will
not be able to. May you have
a pleasant trip, and may God
add all the blessings this
world cannot bestow, upon your
future life.

With much love,

I am your sincere
friend,

Maggie H. Thompson.

P. S. I should like to hear from
you, while you are traveling, if
it will not trouble you too
much. M. H. T.

Dear friend

Your letter that I received
some time ago I will try to
answer this morning I was
first thinking it would be
but a short time till we
would see each other - The
last letter I had from Will
he thought he would come
home in October I did not know
that the time was changed until
last evening I had a letter

from home they said they
had got a letter and that Will
would not be home till in
November I was dissappointed
to think I had to wait another
month before I could see you all
I wanted you to come before
the autumn was so near gone
It will look so much like
winter in November but
besure and come we will have
a nice time if it is winter
you can all stay untill the trees
are all green in the Spring
I cannot write all I have to
tell you when I see you so
I will close sending my love
to all and best wishes

I remain Your friend
Emma Webb
