Miss. Nora, & Crockett

Dear Friend

Your letter to Frank
was recd. by him this
morning I was the
unhappy bearer I got
it for him last night
& gave it to him this morning
just as he & Mr. Bird were
going hunting Frank
is well I + party
& will leave the ranch
for L. next Wed. This
is all at present I
am leaving the valley
to say In my last I
asked you to write me at

Preston I wished since
I had not done so
for I may not call
It has been over a month
since I had a letter from
you. It seems like a
thing of the past
Why Frank deserves more
than myself, ^{I can't etc} unless you
think there is more gained
by writing him I have
wished that it had been
delivered unknown to me
for I really do not feel good
over it. The other one
hurt me but I had not
forgot it until I saw
this one last night
Well I close commanding the
best feelings possible

Yours Truly
E. Hill
