Dear Folks:-

We arrived home in fine shape - had a very restful nite - were able to take up our duties without difficulty

Thank you all - very much - it was a pleasure to see Ida's beautiful home^{etc.} - the eats were delicious and appreciated. Thanks, Ken, for taking us to depot. I suppose I got a little nervous when the time drew near to be on train. We just got on the train in time.

I suppose you have heard Forrest's orders. We had hoped he could go to school, but some day he will - and we can help him thru.

I have a little gift for Genella and Beulah here - hope to mail them soon.

My finger is much better. Marilyn was elected Queen of the Green & Gold Ball. We are pleased for her.

Love to all Lucile
