Dear Mother:

I was very happy to receive your nice letter especially to learn that you were feeling fine. I trust you may continue as well indefinitely.

You are all quite well & now the children are all in school now & beginning to settle down to their work.

Everything seems to be moving about as usual - steadily increasing demand on ones time & services but so far we seem to be able to cope for most of it.

I thought of you all day yesterday 4:45 after your 9th baby was born. - Doesn't time fly! Stopped to Milton - His & his children are steadily growing better.

I am looking forward to a visit with you folks at L.B. but so far it is uncertain just when I will be able to leave my work here.

I am very sorry that I didn't call for you
to go to the cemetery at Dingle. It never dawned
on me that you wanted to go - naturally Eda
mentioned it in her letter a month later.
You see we stopped to see Wesley & he asked if we wanted
to go & so we went.

Let Eda hello for us all & I will be looking
forward to you all visiting with us on every opportunity.

With lots of love — I am

your loving kid

Douglas.
