Dear Mother:

It seems to be growing worse by day
just slipping, it seems.

Truly we are quite busy - who isn't now?
So far we are all well & able to take 3 squares
a day when the opportunity is afforded.

Your letters are all very welcome & I'm always
pleased to learn you are feeling well & hope
you may continue to do so for many many years
more.

In spite of spurs, happenings etc there
seems to be little news; unless of course
we discuss the war & that is always depressing.
Incidentally how is Jean getting along?

I hope Dad & family are all well & "hitting
on all 4 cylinders".

Feel them all hello for us all.
If you need anything I can supply, just speak up.
For now
Lovingly your Dad
Douglas
