Dear Mother:

Thanks for your nice letter. Happy you  
are feeling better.

Also happy you have company & hope you  
will let them do the work & you take it easy.

I thought of you all the way through the trouble  
& wishes you were there with us. Hope we can  
go through together some time in the near future.

We enjoyed it very much. Received  
incidents of 17 years previous.

Saw by bit that Kapie bath quit over  
I had hoped to lunch with them but was  
so busy & only away from home 5 days  
& of them enroute.

Returned time last Sunday night 10-20-40  
we are all quite well.

Happy to Kadacy Norma

Hope you will soon come up this way  
& come stay with us.

Love to everyone

Loveingly  
Douglas
